

# Help

The user platform [www.AtmoSAFE.net](http://www.AtmoSAFE.net) addresses users of laboratory devices such as drying ovens, incubators, sterilisers, CO2-incubators, vacuum drying ovens, constant climate ovens, humidity chambers and climatic test chambers. It consists of three main chapters.

## Applications

In this chapter you will be updated on new and interesting applications for thermal ovens covering various branches.

## Topics

Here AtmoSAFE.net will cover general topics and developments regarding research and industry.

## FAQs

In this chapter AtmoSAFE.net will answer frequently asked questions with regard to Memmert appliances.

## Give us your thoughts

We would like to hear your opinion. Be it praise or a suggestion for improvement - please feel free to contact us: [info@AtmoSAFE.net](mailto:info@AtmoSAFE.net)
